This handout was compiled for PRAESA's **Learning to love literacy** online course in March/April 2023. The resources on this list are recommendations rather than an indication of all available resources. **Learning to love literacy** was made possible by a grant from the African Publishing Innovation Fund, of which Dubai Cares is the funding source and the International Publishers Association is the grant manager. Recordings of the course sessions may be found here: <https://www.praesa.org.za/training/>
