Kenne-kennewippie

Kenne-kennewippie
Mondjie fluit,
Traantjie in die ogie,
Neusie snuit,
Tikkie op die kop;
My storie is uit!

Oor die rympie

Hierdie is 'n aksierympie wat jy met kinders kan speel om vir hulle te leer waar hul ken, mond, oë, neus en kop is en wat hierdie liggaamsdele kan doen. Nooi jou kinders om jou na te boots soos jy aan die liggaamsdele raak wat in die rympie genoem word: ken, mond, oë en neus. Tik jouself liggies teen die kop wanneer jy die laaste reël sê.

About the rhyme

This action rhyme helps children to learn where their chin, mouth, eyes, nose and head are and what these body parts can do. Invite your children to copy you as you touch a different body part mentioned in each line of the rhyme: chin, mouth, eyes and nose. Pat yourself on the head as you say the last line.

Aktiwiteite

- Herhaal die rympie en sê dit elke keer vinniger en vinniger.
- Geniet dit om te probeer fluit. Kan julle jul gunstelingwysie saam fluit?
- Maak boeke deur 'n paar velle skoon papier te vou of aan mekaar vas te kram. Nooi jou kinders om die teks en die prente vir 'n storie van hulle keuse in die boek te skryf en te teken. (As jou kinders nog nie kan skryf nie, laat hulle die storie vir jou vertel terwyl jy dit neerskryf presies soos wat hulle dit vir jou vertel. Wanneer hulle klaar is, lees die storie weer vir hulle.)

Activities

- Repeat the rhyme saying it faster and faster each time.
- Have fun trying to whistle. Can you whistle your favourite tune together?
- Make blank books by folding or stapling a few sheets of paper together. Invite your children to write the text and draw pictures for a story of their choice in the book. (If your child cannot write yet, let them tell you the story while you write it down exactly the way they say it. When they have finished, read the story back to them.)
