About the rhyme

This is a rhyme about birds flying with their tiny wings while making a beautiful melody.

Imisebenzi

- Hamba-hambani phandle nabatwana bakho nize niqaphele ukuba akukho ntaka nizibonayo okanye nizivayo na.
- Cela abantwana bakho ukuba bakuchazele ngeyona ntaka intle abakhe bayibona bakugqiba bayizobe.
- Vumela abantwana bakho ukuba basebenzise izinto abazicholileyo ukwakha indlwane yentaka ekhethekileyo. Ngoku bakha le ndlwane babuze ukuba bacinga ukuba inokuba iintaka zisebenzisa oluphi ulwimi ukunxebelelana. Bhalani kunye nizame ukusebenzisa olu lwimi lweentaka ukubhalela iintaka zabo ezikhethekileyo.

Activities

- Go on a short walk with your children. Notice whether you can see or hear any birds.
- Ask your children to describe and then draw the most beautiful bird they have ever seen.
- Let your children use recycled and natural materials to build a nest for a special bird. While you are doing this, talk to your children about what "language" they think birds use to communicate. Together, try writing a letter to their special bird using "bird" language.
